Core skills and fitness will be integrated to all sessions across the school year. Healthy eating and healthy lifestyles will also be promoted through whole school week events etc. Children have access to information regarding sports events happening across the town, extra-curricular clubs, outside agency information- sports club contact details on the community sports board.

EYFS- Reception are taught by PULSE coaches on a Thursday morning. They focus on balance, hand eye coordination, balance, physical development and space. Children are physically active throughout the day through outdoor provision in place daily.
