

### Action Plan 2016-2017

Action	Objective	Impact and Evidence
To develop a sports committee/department	Children to have an input in decisions made about sporting events or opportunities in school. Children to be involved in the running of lunchtime and playtime activities to inspire and engage more children to be active.	Continued into 17-18 year alongside BW.
To improve the number of children attending after school clubs	Children to have more opportunities to attend different extra-curricular activities led by trained coaches	Numbers have increased from Autumn term to Spring. During the Summer term new after school clubs were launched with the appointment of BW and return of JB.
To organise and hold Sports Event at Keepmoat Stadium	Children to have the opportunity to perform sports skills learnt throughout the year at a professional venue in their home town.	Booked for 21st June 2017. KS2 children all transported to the Athletics stadium. Children took part in different events throughout the day competing against other teams.
Continue with active breakfast club. Introduce to Reception.	Children have access to a healthy breakfast then a 10 minute wake up shake up.	Breakfast club numbers increased to 120 with all children eating a healthy breakfast and participating in a wake up shake up before starting their learning.

To enhance provision in EYFS alongside physical education	Sporting equipment purchased for outdoor learning space. Football nets, hockey sticks which will help with coordination, motor skills, balance and control.	Reception children now have PE included in their timetable working at ELG objectives to challenge and enthuse children to be excited about sports. Sessions taught by BW.
Purchase climbing wall for KS2 playground	Improve coordination, balance, agility, grip (linking to handwriting). Encourage physical activity and active lifestyles.	Children can develop their skills in a monitored environment encouraging a different sport.
Lunch time sports tournaments for both key stage 1 and 2	Children to compete with each other and bring their skills learnt from PE lessons into their play time/lunch time active activities.	Equipment purchased and reviewed to ensure children are using high quality resources and equipment. Children can compete against their peers, build their confidence and encourage team work through competitions.
To gain Bronze award (Sainsbury's School Games)	To sustain Bronze award by holding competitions, extra-curricular clubs, PE sessions and promoting active healthy lifestyles.	Awaiting verification of award.
