

Physical Education

2017-18 Expenditure Plan break down

Total amount expected: £19,450

At Balby Central Primary School we aim to provide high quality teaching and learning in PE and School Sport. We strive to make PE active, engaging and challenging, ensuring that all of our children enjoy and achieve. We support our children to be reflective, have confidence, put in effort, be determined, show resilience, use talk for learning and work collaboratively. We want each of our children to inspire, learn and achieve through PE.

Tickets to sporting events	£500

Balby Central are committed to providing additional, exciting opportunities for all students within school during PE. Due to this the school have invested heavily into ensuring the high quality provision of PE through investing in various activities, competitions, resources and equipment.

The government have set clear aims of how the money should be spent;

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport
