

Sporting Calendar 2016-2017

Date	Event	Evaluation
22.9.16	Year 5 & 6 boys football competition	10 boys from year 5 and 6 travelled to Balby Carr (feeder school) to take part in a school games football competition. The boys played 3 games against other teams from local schools. They lost 2 games and won 1. The boys displayed excellent behaviour and team spirit, representing the school in an exemplary manner.
6.10.16	Year 5 & 6 girls football competition	10 girls from year 5 and 6 travelled to Balby Carr (feeder school) to take part in a school games football competition. The girls played 4 games against other teams from local schools. They won 3 games and drew one. The team made it through to the semi-finals where unfortunately they lost 1-0. The girls finished 3rd out of 14 schools! The girls again, displayed excellent behaviour and team spirit, representing the school in an exemplary manner.
Oct/Nov	PULSE leader training	A group of boys from year 5 and 6 have been trained to lead activities with KS1 students on the KS1 playground at lunchtime.
21.11.16	Balby sports co-ordinator to meet PE lead	PE meeting to discuss cluster competitions, possibility of students/apprentices gaining experience with extra-curricular, PE /lunchtime sessions and cluster dance competition.
W/C 12.12.16	KS2 children performing dance routines learnt	Children performed dance routines learnt throughout the term to opposite class. Children to concentrate on performance skills, co-ordination, choreography and

	throughout the term.	flexibility in line with their assessment.
13.1.16	Lunchtime competition - fastest lap/assault course	Lunchtime competition led by PULSE coaches. Children were to sign up for assault course and complete a lap of the playground which was timed. The times were all accumulated and fastest lap won the competition overall. Open to years 3-6.
Feb 2017	Balby Carr student	Balby Carr student chose Balby Central to complete her sixth form 2 week placement. The student has been involved in all PE sessions to gain experience and see how PE fits into the national curriculum. She has also worked in year 1 to gain experience inside the classroom.
Feb 2017	Sustrans 'Bike It' school bid	Successful bid due to us being a 'Bike It' in receiving free bike helmets to use as prizes in The Big Pedal from Sustrans.
6.3.17	Lunchtime hockey competition	The hockey tournament consisted of 5 a side teams, these teams were put together by the students. A total of 10 teams entered the tournament. At the end of dinner time after all matches had taken place Team number 6 won with a massive score of 8 goals to 2 with a close follow behind with Team 2 who achieved 5 goals to 2. All the children who took part were very competitive and seemed to enjoy working together as a team.
13 th -31 st March 2017	Sustrans-The Big Pedal launch	The Big Pedal to launch in March. This is a nationwide competition that encourages children to travel to school in a healthier way whether this be on their bike, scooter or by foot. Class teacher to record how many children travel in different ways over a two week period which is then submitted to the leader

		board by JB on a weekly basis. Prizes given children/class who improve how they travel to school.
April - July 2017	After School provision	Mr Wilson has led after school sessions in cricket, tennis and athletics whilst Miss Bates, Miss Wales and Mr Short have worked hard leading Football and Dance clubs. A total of six sports related after school clubs each week have allowed over 100 different children to access extra-curricular sport. The 20 girls involved in Dance club performed brilliantly on Picnic day in front of children, staff and parents.
21 st June 2017	KS2 Sports Days	This summer we hosted a very successful KS2 Sports which also marked the start of our new House system throughout school. All 260 children travelled to the Keepmoat athletics stadium for the first time. An inclusive approach to the day enabled all children to compete in every event, all being awarded points towards their House total. The Sports Day was well received by all involved, staff, parents and most importantly the children. Mr Craig Dallas and Post 16 sports leaders from Balby Carr Academy attended the event and contributed to the smooth running of the day. Every child was rewarded with a certificate for their hard work and team contribution on the day.
July 2017	EYFS/KS1 Sports mornings	All children were involved in a Sports morning which included traditional athletics events alongside other inclusive races and activities. The format allowed parents to watch their children in every event and points were awarded for all the children participating on the morning. All the children were given a certificate to mark the achievement on the day.
Summer term 2	Haka	As part of their dance lessons, Miss Eaton taught all KS2 classes a school Haka, named 'Ka Mate', a

		<p>traditional New Zealand war dance, as performed by the National rugby side. All the children performed the Haka to parents on Sports day and picnic day which was brilliantly led by a very brave, confident and passionate Y3 pupil.</p>
<p>Summer term 2</p>	<p>Intra-school competition (Hockey/Football)</p>	<p>Y3/4 have taken part in a Hockey Cup competition whilst the Y5/6 have competed in a summer football league, all of which has been played during break and dinner times. Overall 110 children have participated across the two tournaments. Matches have been very competitive but played in great spirit throughout and as the competitions come to a close, more and more pupils are taking time to watch the fixtures and cheer on friends and classmates. The fixtures have also engaged children in other roles, such as officiating, time keeping, scoring and as fixture secretaries. Given its popularity, further intra-school competition will be promoted in September focusing on different sports each half term.</p>
<p>Summer term 2</p>	<p>Morning Football club</p>	<p>B Wilson has led a morning football club on Wednesday and Friday mornings at 7.30am. The club, intended as a trial, has proven to be a real success, with 11 Y5/6 boys regularly attending and arriving on time. This term the focus has been on developing a strong football side for the upcoming season in September. Given its success, morning clubs will continue and will differ to target new groups of children with the hope of encouraging them to take part in regular physical activity and also help in wider issues such as behaviour and attendance.</p>
<p>June/July 2017</p>	<p>Two work experience students</p>	<p>Two Year 11 students from local Doncaster Secondary schools have assisted Mr Wilson during lunchtimes, after school clubs and PE lessons. They have been heavily involved in preparing for major school events</p>

		<p>like the Picnic day and Sports Day. They have both developed their leadership qualities by leading small groups of children and their assistance, particularly during dinner times and lessons, has been invaluable. Their presence has no doubt improved the quality of PE lessons as children have had more one-one support and KS2 classes have been able take part in more games based activities. It has also provided the two young men with a great opportunity to gain an insight into teaching PE in a primary setting and develop their confidence in leading activities to young people.</p>
14.7.17	Picnic Day	<p>All class teachers and Miss Eaton during her dance lessons worked extremely with the children to prepare a dance to perform on Picnic Day. Each class picked a summer themed song and produced some fantastic performances in front of their parents and carers on the day!</p>
Summer term	EYFS - PE lessons	<p>All children in Nursery and reception are now taught a formal lesson of PE on a Friday morning. The focus of the lessons so far have been to develop their balance, agility and coordination through athletics and cricket based activities. This will prepare the children well for their move into Year 1 PE lessons next year.</p>
